Type 2 Conveyance Mechanic License Affidavit

(7/7/2016)

A conveyance mechanic seeking to satisfy the proof of field experience requirement per Section 4-1-1(2) of the Conveyance Regulations must complete this affidavit, sign it before a notary public and submit it with the Mechanic License Application.

I, _____ , being first duly sworn, depose and state the following:
Conveyance Mechanic Applicant Printed Name

- I am applying for a Type 2 Conveyance Mechanic License according to 7 CCR 1101-8 Section 4-1-1(2)(a)(ii) or Section 4-1-1(2)(b)(ii)(III).
- I testify that, during the time frame of my participation in the training program approved by the Division of Oil and Public Safety (OPS) for which I have submitted a certificate of completion, my work experience consisted of at least 1,700 hours per year performing repair, maintenance, alteration, and/or construction activities in the category listed on the Work Process Schedule (page 2 of this document). I also testify that these work activities were performed on the type of equipment described in ASME A18.1 – Type 2 Conveyance Mechanic License.
- I understand that:
  - There are severe civil penalties for any false statement or representation of a material fact, knowing it to be false, or knowingly failing to disclose a material fact with the intent to defraud.
  - Section 9-5.5-118 Colorado Revised Statutes (CRS) gives OPS the authority to issue a notice of violation through Section 8-20-104 CRS, which may include penalty fines up to $500.00 per day of violation and the revocation of the application for licensing for up to two years.
