

## **TYPE III EXPLOSIVES PERMIT**

The Division of Oil and Public Safety requires a Type III Explosives permit for corporations, companies, partnerships, firms, individuals operating a business, associations or state or local government agencies that store explosives. Type III Explosives permits will be issued for up to 36 months upon approval.

### **APPLICATION INSTRUCTIONS**

1. Complete **ALL** sections of the application and submit the application with the \$375.00 application fee (via check or money order made payable to the Division of Oil and Public Safety). Please note the following items:
  - **Name of applicant** – This is the legal name of the company, corporation, organization, or government agency applying for a permit;
  - **Email Address of Applicant Representative** – Most correspondence from the Division of Oil and Public Safety (including a digital copy of the permit) will be sent to this email address;
  - **Location of magazine(s) where applicant stores or intends to store explosives** – If needed, use the additional Page 2 sheets to document explosives stored at multiple locations;
  - **Number of each type of magazine located at the address(es) listed in section 7;**
  - **Notification of Local Authorities** - This affirms that local authorities were notified about each magazine's location. **Notification must be done just prior to submit the application to OPS (first time application and renewal application).** If magazines are located in more than one county or fire district, the county sheriff and/or fire district representative for every location must be notified. Multiple pages may be used if needed;
  - **Responsible Person(s)** – List the name(s), required information, and signature(s) of the owner(s), partner(s), or manager(s) who will have access to explosive materials, and be **directly responsible for the applicant's compliance with explosive rules and regulations pertaining to the storage of explosive materials for the location(s) in which the applicant intends to do business.** Each person listed must currently hold a valid Type I permit or be in the process of applying for a Type I permit;
  - **Signed Certification** – **This form must be completed and signed by the Applicant Representative.**
2. You may email the completed application to [cdle\\_explosives@state.co.us](mailto:cdle_explosives@state.co.us) and remit payment [online](#), or mail the completed application, fingerprint card(if applicable) and payment for the application fee to:
