OPS Approved A/B Operator Trainers

(Revised 03/04/2021)

The Division of Oil and Public Safety (OPS) has approved the following companies to provide A/B Operator training in accordance with Section 2-31 of the [Colorado Storage Tank Regulations](#).

Upon successful completion of one of the programs listed below, the student will receive an A/B Operator certificate that should be maintained as long as the individual is designated as an A/B Operator of a storage tank system in Colorado.
