Use this QRG to learn about searching within the Community.

1. Searching
   1.1. To begin the process of searching within the Community, navigate to the home page: https://socgov18.force.com/s/
   1.2. At this time, there are no logins being utilized.
   1.3. Type search criteria into the Global Search Bar (A). Keep in mind that the more information that you put into the search will relate to less items returned.
1.4. The search results will return a list of every item that contains your value. In this instance, “Federal” was used in the search box. Note some of the items pointed out:

1.4.1. (B) Releases
1.4.2. (C) Facilities
1.4.3. (D) View More
1.5. Selecting facility 11133, you are taken to the facility information page. Relevant facility information can be found on the left hand side of the screen while the Related Lists (E) can be found on the right. The related lists show all of the pieces of information related to the facility.
