MARKING BEST PRACTICE

- *CGA 17.0 in the UDP SC Best Practice*
 - Looked at Chapter 5 of CGA version 17 - Chapter 5 references Excavation. Commission members agreed that the entire chapter is worth referencing in the Best Practice.
 - Noted that once the Commission references a version of CGA it will have to use that until it accepts another version.
 - Reviewed the sections of Chapter 4 and made comments in the Best Practice as to any additions that are relevant to Colorado.
 - 4-6 Safety: Discussed who is responsible for traffic control and how lack of traffic control can be a reason for the locate not being completed. Language added to Best Practice
 - Other subsections were also discussed and language added to the Best Practice.
 - 4-15: Jeannette Jones offered to take this on as an action item.
- *Electronically Locatable section*
 - While this is an “installation” requirement vs marking/locating - left in this section of the law in the Best Practice for a holistic view
- *9-1.5-104 (4)(c) section*
 - Worked on Practical Application section
 - In discussion: looked at subheadings to help identify what each section of the Statute covers - action item for future meeting?
- *Whiteline section*
 - Reviewed and edited content to eliminate outstanding comments
