Commission Member Profile

Jim Moody

Jim Moody is the Director of Industry Relations for the Colorado Contractors Association (CCA) and has been on the CCA staff since 2005. He serves as a liaison between CCA's members and their infrastructure owner clients (including CDOT, city and county public works departments and water and sewer districts) and their health and safety partners (including OSHA, CDPHE and Colorado 811).

Jim has worked on underground safety issues throughout his time on the CCA staff. He is a long time participant on the Colorado 811 Procedures Committee and served on the 811 Legislative Working Group that developed proposed legislative language which formed the basis for SB 18-167.

Jim earned a B.A. from the University of Illinois and a M.A. from Washington University in St. Louis.
