# Commission Member Profile

## *Kat Duitsman, P.E.*

Kat Duitsman, P.E., is a Senior Transportation Engineer with Felsburg Holt & Ullevig, based in Centennial, Colorado, and is a representative of the American Council of Engineering Companies (ACEC) of Colorado.

Kat is a Civil Engineering graduate of the University of Illinois at Urbana-Champaign. With 14 years of experience as a transportation engineer, Kat specializes in roadway, highway and interchange design. An accomplished project manager, she works with a variety of clients, ranging from municipalities to state departments of transportation, as well as general contractors.

She has been involved with a variety of complex and innovative projects around the state and is excited to represent the engineering profession on the UDP Safety Commission.
