Commission Member Profile

Lori Warner

Lori Warner has worked for Xcel Energy for more than 35 years in numerous roles, including engineering, meter reading, compliance, training and safety. Since 2010, Lori has been providing utility safety education as a coordinator in Xcel Energy's Public Safety department.

Lori was nominated by the Colorado Pipeline Association (CoPA) to represent pipeline operators on Colorado's Damage Prevention Safety Commission. She also sits on the Pipeline Association for Public Awareness (PAPA) board of directors, representing distribution pipeline operators, and chairs the Distribution Public Awareness Council (DPAC) where she oversees collaborative Public Awareness initiatives.

Lori is a graduate of the University of Denver, with a B.S. in Business Administration and an M.S. in Communications.
