Commission Member Profile

Mark F. Jurgemeyer

Mark F. Jurgemeyer has experience in project management, engineering and construction administration of electric utility projects worldwide. Mark is the Engineering Manager for Intermountain Rural Electric Association. His previous experience includes work for Stanley Consultants, Inc., Morrison Knudsen/Washington Group International, Behrent Engineering Company and GEA Integrated Cooling Technologies, Inc.

Mark is a principal member of National Electrical Safety Code (NESC) Subcommittee 5, and he has been involved in the development of papers and standards published by the Institute of Electrical and Electronics Engineers (IEEE) and the American Society of Civil Engineers (ASCE). Mark is chair of the NESC Job Training and Safety Subcommittee for the IEEE Rural Electric Power Conference.

Mark earned a Bachelor's degree in Civil Engineering from the University of Colorado in 1995.
