Searching the Conveyance Database

The screenshot shows the Colorado Department of Labor and Employment website. The header includes the state logo and navigation links: Home, Petroleum, Amusement Rides, Boilers, Conveyances, Explosives, Records, and Regulations. The 'Conveyances' section is active, displaying a search bar with '700 Kipling' entered and a magnifying glass icon. Below the search bar is a sidebar with links for Home, Conveyance Database, and Contact Us. The main content area features the title 'Conveyance Database' and a welcome message: 'Welcome to the official Colorado Conveyance Database. This website allows members of the general public to: View a list of all Conveyances registered within the State of Colorado; Search for a specific Conveyance device.' It also lists services for registered users: Register a new Conveyance device; Apply for a Conveyance professional license (for contractors, mechanics, and inspectors); Apply for a Conveyance construction permit; Pay an invoice. A prominent red button labeled 'Search Conveyance Database' is located at the bottom of the page.

1. Type part of an address (e.g., 700 Kipling) or a conveyance number (e.g., CP08-005622) in the search bar and click on the magnifying glass. Please note: if you click on 'Search Conveyance Database,' the results will show all conveyances.
