- 2019-001: remedial action completed and the status is resolved; policy submitted.
- Lessons Learned: Discussion was had about the complaint hearing process and items that can be improved upon. Members shared with each other their experiences. A Resource binder will be developed and available at hearings for members to use as a reference. The # of Violations Tracker sheet was shared with the members as another resource. Some forms will undergo minor edits.

**Administrative Items/OPS Update:**

- OPS Outreach events: thank you to the Safety Commission members that have attended and plan to attend.
- Regulations - working copy: Items to add for future consideration? Elaborate on dismissal of complaints (define with & without prejudice) & add language on how incomplete complaints will or won’t be processed.

Question on how to approve training courses/providers because there are interested companies. It is part of future business. Discussion was held around Home Rule Entities; the feedback was for OPS staff to continue reaching out to the entities as complaints come in.

**CO 811 Update:**

Jose Espino & Whitney Nichols were present.

- Progress continues from last month’s update regarding software & phone updates.
- CO 811 is working to minimize caller hold times.
- Upcoming events: Damage Prevention Mixer in July, 811Run on August 10th in Arvada, and Mock Line strike in September. See CO 811 website for details and more events.
- Ticket Reading Training coming shortly for Safety Commission members.
- Procedures Committee approved their SUE procedures.
- CO 811’s Annual Report has been submitted. At the next Safety Commission meeting a Data Staff Person will be present to answer Commission’s questions.
Questions were asked about the hold times and Tier 2 conversions. CO 811 advised that there are several reasons for both issues. To prepare for the Annual Report discussion, members will be able to send CO 811 questions ahead of time.

BEST PRACTICES:
A summary of the work completed by the Best Practices sub group was provided. Jeanette is developing a draft of the process the group will follow. Definitions were assessed and some new terms will be defined in the future. FAQs will be developed and posted on the website. Next month’s agenda topics were advised of.

OTHER BUSINESS:
- Agenda for the next meeting was discussed.
- New videos from Micro Mike Rowe were shared that discuss safe digging & it was noted that it is a part of the National Excavator Initiative. There are a lot of resources and promotion of safety in this industry available.
- It was advised that Safety Commission members can only be nominated for a maximum of 2 terms per the Governor’s office.

The next meeting is scheduled for August 8, 2019.

Meeting adjourned at 3:13 pm
