Affidavit: Emergency Generator Tanks

(Revised 11/29/2022)

A Fund applicant who is applying for reimbursement of remediation costs related to petroleum storage tanks used solely for emergency power generators is required to complete this affidavit, sign it before a notary public and submit it with the requested attachments.

PREQ #: _____

Applicant Certification

I, _____, being first duly sworn, depose and state the following:
(Applicant Name)

- I have been the owner/operator of the petroleum storage tank(s) located at _____
(Address)
 that are the subject of the referenced reimbursement application. I understand that these tank systems have been deferred from any requirements for release detection only because they have stored fuel solely for use by emergency power generators.
- I hereby certify that at no time has product in the tank(s) been used for any purpose except for fueling an emergency power generator at this site.
 - If product in the tank(s) was ever used for any other purpose, including, but not limited to, heating or motor fuel, **do not** sign this affidavit.
- I understand that there are severe criminal penalties for any false statement or misrepresentation of a material fact, knowing it to be false or knowingly failing to disclose a material fact with the intent to defraud.
