## *Curt Graham*

Curt Graham has been in the Rural Electric trade since 1977. He started his career with KC Electric Association in Stratton, Colorado, working there until 2005. In 2005 he moved to Buena Vista to work for Sangre de Cristo Electric Association, working there from 2005 to 2015.

Curt is currently employed by CREA as a Job Training and Safety instructor for the eastern side of the state. After 38 years as a lineman, he enjoys being on the training side to help train lineman and to help rural electric co-ops with testing requirements.
