

# Commission Member Profile

## *Rob Martindale*

Rob Martindale is the Utilities Program Manager for the Colorado Department of Transportation (CDOT) and has been with the agency since 2004. Rob is responsible for improving CDOT's Subsurface Utility Mapping program and utility data management systems overall. Additionally, Rob works with many stakeholders including: Colorado 811, cities, counties, water, sewer districts, and all utilities companies installing facilities within CDOT's Right of Way.

Rob has worked on underground safety issues throughout his time at CDOT. He served on the 811 Legislative Working Group that developed proposed legislative language which formed the basis for SB 18-167.

Rob is a Licensed Professional Land Surveyor and earned a Bachelor of Science degree from Colorado Mesa University in Grand Junction, Colorado.
