Approved Continuing Education Courses for Conveyance Mechanics

Conveyance Regulations (7 CCR 1101-8 Section 3-1-1(5)) require that current mechanic licensees who have Type 1 and Type 4 conveyance licenses must show proof of continuing education training on escalators and moving walkways in order to continue to be qualified to perform work on these types of conveyances.

Approved courses are listed below.

Courses approved or provided by the National Association of Elevator Contractors, Certified Elevator Technician (CET)

Click [here](#) to view CET approved courses.

Courses provided by the International Union of Elevator Constructors

Click [here](#) to view IUEC approved courses.

For more information, contact Michael Gleiforst at 303-937-8039.

Courses provided by ThyssenKrupp Elevator

Click [here](#) to view TKE approved courses.

To enroll in ThyssenKrupp Elevator International Technical Services (ITS) Courses, contact your immediate supervisor or ITS at its.training@thyssenkrupp.com. You can also contact the ITS Technical Training Coordinator at (800) 655-9601, option 0.

Courses provided by OSHA*

OSHA 10hr Training

OSHA 30hr Training

***Please note: A maximum of three (3) contact hours in safety will be accepted for your renewal. Any safety hours in excess of the maximum will not be applied toward your renewal.**

If you have taken courses other than those listed above, or if you have a continuing education course you would like to have evaluated for approval, please contact David Hutchcraft, Chief Conveyance Inspector, at 303-319-5834 or david.hutchcraft@state.co.us.
